The BCAC is pleased to announce a full-day seminar on Compliance Management. Our guest speaker for the event will be the renowned David Dickinson from Banker's Compliance Consulting. David is a regular speaker on the national compliance conference circuit including the ABA's Annual Compliance Conference. Anyone who has had the pleasure of hearing him speak can attest to the passion and expertise he brings to compliance. We are thrilled to have him so do not miss out on this unique opportunity to hear David speak! We are including the specific information about the program as an attachment.

David's banking career began as a field examiner for the FDIC in 1990. He later became a Compliance Officer and Loan Officer for a small bank. In 1993, he established Banker's Compliance Consulting. Along with his amazingly talented Team, he has written numerous compliance articles for prestigious banking publications and has developed compliance seminars that Banker's Compliance Consulting produces. He is an expert in compliance regulations. He is also a motivational speaker and innovative educator. His quick wit and sense of humor transforms the usually tiring topic of compliance into an enjoyable educational experience.
